

In Loving Memory

The Honourable Paul Finn

22 April 1946 - 27 September 2023

*"It is not every day that you can do great things in the service of others.
But you can always assist others in good decision-making,
help them improve their circumstances where possible
and protect their interests in situations where they are vulnerable.
This has its own reward."*

Paul Finn on receipt of his Doctor of Laws honoris causa,
University of Queensland, December 2014

The Drill Hall Gallery, Australian National
University, 10 November 2023
